Who's it for

All PCS members in the south west

PCS has called a walkout of over 100,000 members on budget day, 15 March.

In preparation for this, PCS in the south west is holding a regional planning meeting to organise for the national day of action.

This will include an update from PCS vice president, Hannah David, and a discussion about the lessons we've learnt from the action taken so far and our plans to make the Budget Day strike an even bigger success.

All PCS members who want to get involved in organising for successful strike action are encouraged to join.
