On Saturday 18 March, UN Anti Racism Day coordinated demonstrations are taking place across the world.

As part of this, #ResistRacism marches will be held in London, Glasgow and Cardiff supported by the TUC. These events will put thousands of anti-racists, trade unionists, students and campaigners on the streets to say #RefugeesWelcome and #NeverAgain.

PCS is organising a bloc on each of the demonstrations and is inviting members and their families to join us there. Each rally will include a PCS NEC speaker.

Details of local transport to London is available on the [Resist Racism Facebook page](#).

PCS will fund reasonable transport costs for members and immediate family to attend the demonstration.
