The meeting is to mandate our delegate to the ARMS National Forum in June on the motions to be heard there. A committee meeting will follow the mandating meeting. All ARMS Scotland members are welcome to attend these meetings.

If you wish to attend or would like further information about the meeting, please email secretary.scotland@arms-pcs.org.uk. You will then be sent the Zoom details and relevant papers by email.

PCS has continuing targeted strike action in Scotland and there is a national strike on 28 April. ARMS Scotland encourages you to support striking members wherever you can. You can also make an [online donation to the PCS strike fund](#).
