Conference delegates and live on Facebook

We have been involved in the biggest industrial action campaign in PCS history. We have told the Tory government that 2% doesn't pay the bills. Reps and members have risen to the challenge in a great show of support for our demands. Now as we face the next stage of our campaign we set out what needs to be done to win and what support we need from other unions and MPs.

The event is chaired by Fran Heathcote, PCS president, with speakers Mark Serwotka, PCS General Secretary, Beth Winter MP, RMT Assistant General Secretary Eddie Dempsey, junior doctor (invited), Karen Alderson, Passport Office striker.
