Who's it for

Conference delegates

If you have faced work-place discrimination or are supporting members in this position, this event will be of interest.

Thompsons Solicitors will provide a legal overview of discrimination and its intersectional impact. PCS NEC members, Angela Grant and Tracey Hylton will share their experiences of supporting diverse types of personal cases. We will also look at the wins PCS Legal has secured on behalf of members, followed by a Q&A session.

Lunch provided.
