Come and hear from your PCS Wales Committee an update on motion A11 agreed at ADC 2023.

- Implementing policy autonomy in devolved nations and direct elections to nation committees, how delegates should be elected to the nation conferences, the relationship to the Scottish and Welsh TUC congresses.
- Planning for the founding conferences to be held in autumn 2023 and to bring any necessary rule changes resulting from decisions of those conferences to ADC 2024.
- Overseeing the process by the NSOC until the founding conferences each agree a constitution, elections process and standing orders committee in line with PCS Rules.

This is a big step forward for devolution in PCS and an exciting time for members in Wales to shape the future with the inaugural policy making conferences for all members of the devolved nations.

If you are not able to attend in person there will be a virtual link to enable full participation of members in all areas of Wales.
