PCS A to Z: L for legal services

In the A to Z of benefits of joining the union, L is for our legal services.

PCS offers a wide range of money-saving legal services for our members.

Members can call a [free legal helpline](#) which is available from 9am to 5:30pm, Monday to Friday. It's available for PCS members and their families. You can get advice on family issues, consumer law, criminal law, probate and any other non-work related matters.

We have arranged an exclusively priced [conveyancing service](#) with a leading firm of solicitors for buying or selling a house and a **free** [will writing service](#).

As a PCS member you can access our **personal injury scheme** which covers members and their partners who have an accident, injury or suffer ill-health or experience medical negligence within the UK. Phone our helpline on 0800 328 3255

PCS members who work closely with the public can purchase specially priced [criminal legal insurance](#).

PCS members can nominate a family member or friend to receive a [death benefit](#) if they die while still in employment. It is applicable after six months' membership and in 2023 the amount payable is £1808.40.

And of course if you need legal advice relating to a problem at work your workplace rep will be able to get help from PCS's own legal team.
