Looking for help with the ballot?

We have a range of resources and information on the ballot for members and reps.

Our online, consultative ballot on the future of our campaign is now well underway and we know many members have already voted.

But there are still members and reps who have questions about the ballot and need help with getting the vote out.

For members, if you need answers about the ballot, how it's run, what it's about, [read our FAQs](#) on the website. You can also speak to your local rep, and if you don't know who they are, you can find their details by logging into [PCS Digital](#).

You can also find [all you need to know about the ballot](#) on our dedicated web page.

If you're a rep who wants materials to help get the vote out and explain the union's position, you can [order vote yes materials online](#). You can also access resources to help with getting organised in your branch through [PCS Digital](#).
