# Last chance to request replacement ballot

Log in to PCS Digital before 5pm today to order a replacement ballot email or paper.

Our online, consultative ballot on the future of our campaign runs until 31 August.

If you haven't had the email with voting instructions but your personal email address is registered with us and [your employer is part of the ballot](#), please check your spam/junk folders before requesting a replacement. The email comes from [pcs@cesvotes.com](mailto:pcs@cesvotes.com).

## Today at 5pm is the last day to request a replacement

Request a replacement online by logging in to [PCS Digital](#). This also applies if you have lost a ballot paper that you received in the post.

## How long does it take?

Civica, the independent scrutineer, will make a series of checks before sending out a replacement email or ballot paper.

This means that it can take **up to 8 working days** for a replacement email/ballot paper to be sent out.

However, as long as you request it by our deadline of **5pm today, 20 August** you will receive a replacement in time to take part.
