The International Day of Older Persons is celebrated each year on 1 October and events are held throughout the month. PCS Associate and Retired Members (ARMs) are hosting a Zoom event from **12.30-2pm** on **Friday, 13 October**.

The theme for 2023 is “Resilience of older persons in a changing world”. It reflects the challenges and opportunities that older people face and highlights the importance of promoting their rights, dignity and well-being in all aspects of society.

The issues that older people face are the same as everyone else faces; access to health care, the state of the transport systems and we mustn't forget, if you are young now, one day you will be old.

Guest speakers will be:

- Mal Mutton, Deputy Lord Mayor of Coventry and member of PCS ARMs
- Debbie de Spon, Communications Director of Women Against State Pension Inequality (WASPI)
- A campaigner for migrant rights (to be confirmed).

The event is **open to all PCS members** as the theme is relevant to working members and their families, as well as to partially retired and associate members.

If you would like to join this event **please email Jacquie Hadfield, ARMs National Committee Vice-chair, at vice-chair@arms-pcs.org.uk** and you will be sent the Zoom link.
