Are your PCS branch details up to date?

Reps can check their branch details are up to date and accurate in PCS Digital by viewing branch records in the organising hub.

Read our guide (PCS Digital login required) on how to update your members and reps' details, including:

- Viewing and maintaining up to date branch membership records
- Contacting members during campaigns to encourage participation
- Identifying potential advocates and activists
- Identifying and recruiting potential members.

Read more guidance on our guidance and resources for PCS reps web page.

Check the website regularly for organising updates, support and guidance.
