PCS supports protest and vigil demanding an end to the war on Gaza

PCS is supporting the workplace day of action on the UN's International Day of Solidarity with the Palestinian People on Wednesday (29 November).

Join the protest and vigil, [called by Stop the War Coalition](#) to which PCS is affiliated, from 1-2pm. Assemble opposite parliament (Old Palace Yard) in front of the George V statue.

Members can assemble during their lunch break in their own time. The protest will hear from those calling for an immediate and permanent ceasefire, including members of the PCS Parliamentary Group who voted in parliament for a ceasefire. Some members will want to hold a minute's silence, vigil or prayer and this will be accommodated within the hour.

[See how you can get involved where you are.](#)
