# Join this weekend's demonstrations for Palestine

Events are being held across the UK again this weekend to call for a permanent ceasefire in Gaza.

Israel has resumed its military assault against the Palestinian people in Gaza. PCS supports the call for a permanent ceasefire and an end to violence on all sides.

In October, our [national executive committee issued a statement on Israel and Gaza](#), calling for all sides, and the international community, to work to end the conflict. PCS is affiliated to both the [Palestine Solidarity Campaign](#) and the [Stop the War Coalition](#) and has been supporting and speaking at the demonstrations that have been happening across the UK in recent weeks.

Demonstrations will take place again this weekend on Saturday 9 and Sunday 10 December to support the call for a permanent ceasefire and an end to the UK-Israel arms trade, which makes Britain complicit in the conflict.

The [Palestine Solidarity Campaign website](#) lists events taking place. For other events, check out the [Facebook page of the Scottish Palestine Solidarity Campaign](#), and the [Belfast Palestine Solidarity Campaign](#) and other local supporter groups on social media.

PCS members are encouraged to take part in local events.
