

21 February 2024

PCS 2023 Annual Report published

The annual report summarises all our activity during the year including campaigning, communications, equality, organising, international and environmental.

The [PCS Annual Report 2023 can now be downloaded from PCS Digital](#). It is the last report issued with Mark Serwotka as general secretary.

The report is organised under the following headings and provides a summary and information on all our activity during the year including:

- National campaign
- Disputes
- Pensions
- Organising
- Communications
- Knowledge
- Media and press
- Equality
- International
- Devolved administrations

And more.

The report also includes a table showing meeting attendance by members of the national executive committee.

All members are encouraged to [download and read the report](#), which will be formally agreed at our annual conference in May.
