Win for Easter in our prize draw

Check and update your details on PCS Digital before midnight on 2 April to be entered into a draw for £50 of shopping vouchers.

It is important that we can communicate with all PCS members, particularly during the period of our [national strike ballot](#) and potential industrial action, and we are asking you to log into [PCS Digital](#) to check and update your details, especially your mobile number and email address.

Log in to [PCS Digital](#) and update or confirm your details **before midnight on 2 April** and you will be entered into our prize draw and could win one of **three prizes of £50 shopping vouchers**.

It is important that we have your **personal** contact details as employers can block our communications or withdraw your right to use your work email address for anything other than emails related to your work.

We send out regular updates and want to reach as many members as possible so that you can be kept informed and involved with everything that is happening in your union.

Please also remember to log in to [PCS Digital](#) to let us know you have voted and posted your ballot paper, if you are part of the national ballot.
