The [Motions book](#) provides the timings for when motions will be debated at our national conference in Brighton, which takes place from the 2pm on Tuesday 21 May until lunchtime on Thursday 23 May.

It also gives details of guest speakers to conference, and when the annual report, organising strategy and financial report will be presented, as well as awards such as distinguished life memberships.

122 motions have been marked "A" for debate at conference, including one composite motion.

Emergency motions can be submitted online from 22 April.
