PCS shows continued solidarity with Palestine

As part of our ongoing support for the Palestine Solidarity Campaign (PSC), we call on activists to join their national march on Saturday (18), to mark the Nakba's 76th anniversary of ethnic cleansing of Palestinian people by the state of Israel.

PCS remains at the forefront of the trade union response to the ongoing war in Gaza and we will continue to call for a ceasefire, the release of all hostages and peace across the region.

You can also [write to the Foreign Office and your MP](#) to insist they call for an immediate ceasefire and to stop all arms exports to Israel.
