# Join us live in Brighton on the eve of conference

Join the PCS national campaign rally in Brighton and on Facebook at 6.15pm on Monday (20) to hear why our demands for public sector pay, pensions justice and jobs security should be a priority in a general election year.

The event which takes place on the eve of our annual delegate conference in auditorium 2 at the Brighton Centre, will be chaired by PCS acting president Martin Cavanagh and will hear from:

- Fran Heathcote, PCS General Secretary
- John McDonnell MP
- Phil Clarke, NEU vice president.

Our campaign of industrial action won serious concessions from the UK Government and devolved administrations.
