Pensions awareness week: lowdown on McCloud judgment

For pensions awareness week, which starts today, we're highlighting the McCloud judgment which ruled that the government's 2015 public sector pension scheme reforms unlawfully treated pension scheme members differently based upon their age.

The judgement followed two employment tribunals on the pensions of judges' (McCloud) and firefighters' (Sargeant).

Reps and members can [find out more about this judgment](#) and its ongoing implications by logging into PCS Knowledge [on PCS Digital](#).
