Who's it for

All PCS members

Everyone's life is important, and we all have significant stories to tell.

Join our six-week life writing course, led by novelists [Laura Beatty](#) and [Inbali Iserles](#), and find the words and language to engage with some of the meaningful experiences in your own life.

Laura and Inbali will use literary and visual stimuli to generate your thoughts and memories - and will guide, prompt and structure activities to enable you to respond in writing.

Using freewriting techniques, you'll find ways to give voice and expression to your life's stories within a gently supportive and creative environment.

The six one-hour sessions take place on consecutive Tuesdays and run from **1-2pm** on 31 January, 7 February, 14 February, 21 February, 28 February and 7 March.

PCS events are friendly, respectful and inclusive - and everybody is welcome. We encourage PCS members from under-represented groups to attend.
